

WHEREAS; according to Cleveland Clinic, amyotrophic lateral sclerosis, commonly known as ALS or “Lou Gehrig’s Disease,” is a neurodegenerative condition that affects the nerve cells in an individual’s brain and spinal cord, targeting motor neurons that regulate voluntary muscle movements, like the ability to talk, chew, walk, and breathe; and

WHEREAS; while ALS can affect anyone, it is most likely to develop in men and individuals between the ages of 55 and 75, and research indicates that military veterans are at a greater risk; and

WHEREAS; according to the ALS Association, every 90 minutes, someone is diagnosed with ALS and someone passes away from the disease, and on average, patients diagnosed with ALS survive only three years from the time of diagnosis; and

WHEREAS; while the exact cause of ALS remains largely unknown, and currently, there are no definitive means of preventing or curing the disease, access to treatment can help delay symptom progression and improve an individual’s quality of life; and

WHEREAS; access to therapies, durable medical equipment, and augmentative and alternative communication is of vital importance to people living with ALS, and clinical trials serve as an opportunity to evaluate new treatments and medical breakthroughs; and

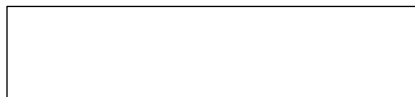

WHEREAS; this month, the state of Wisconsin joins individuals affected by ALS, their families, and dedicated advocates and organizations in spreading awareness of and embracing hope for advancements in science and medicine to lead to a deeper understanding of the disease, new treatments to enhance quality of life, and eventually, a cure;

NOW, THEREFORE, I, Tony Evers, Governor of the State of Wisconsin,
do hereby proclaim May 2026 as

ALS AWARENESS MONTH

throughout the State of Wisconsin and I commend this observance
to all our state’s residents.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Wisconsin to be affixed. Done at the Capitol in the City of Madison this 23rd day of April 2026.

TONY EVERS, Governor
