*WHEREAS*; boating is a popular recreational activity enjoyed by millions of Americans, including many Wisconsinites, who use boating as an opportunity to explore and appreciate the state's bountiful lakes, rivers, streams, and other waterways; and

*WHEREAS*; it is essential that all boaters adhere to safe boating practices and procedures, which include carrying lifesaving emergency distress and communications equipment, wearing life jackets, attending safe boating courses, participating in free boat safety checks, and staying sober when navigating; and

*WHEREAS*; each year, hundreds of people die in boating-related accidents across the nation, and according to the United States Coast Guard, approximately 75 percent of these fatalities are caused by drowning, often associated with an overwhelming majority of victims not wearing a life jacket; and
