Proclamation

WHEREAS, like all Wisconsinites, aging and older adults and folks with disabilities deserve to live with dignity, security, and maximum independence and quality of life; and

WHEREAS, the growth of our aging population, coupled with the rising cost of health and long-term care, creates an imperative to make efficient and effective use of both private and public resources; and

WHEREAS, in 1998, Wisconsin became the first state to develop Aging and Disability Resource Centers (ADRCs), and provided the model for a nationwide initiative that began in 2003; and

WHEREAS, ADRCs are welcoming and accessible places where aging and older adults, folks with disabilities, and their families can be connected to reliable information, unbiased advice about their options, and simplified access to appropriate resources and services; and

WHEREAS, by helping individuals and families make more informed choices, Aging and Disability Resource Centers help folks conserve their personal resources, maintain self-sufficiency, and delay or prevent the need for public resources and potentially expensive long-term care;

NOW, THEREFORE, I, Tony Evers, Governor of the State of Wisconsin,
do hereby proclaim May 2020 as
