Proclamation

WHEREAS; September 17, 2022, marks the 235th anniversary of the day delegates to the Constitutional Convention in Philadelphia, Pennsylvania, signed the United States Constitution; and

WHEREAS; the Constitution organizes the guidelines and limitations for governance in the United States, establishing our country's three independent branches of government, emphasizing the importance of checks and balances, and outlining a process by which the document can be amended; and

WHEREAS; as its preamble states, the Constitution is guided by the resolve of "We the People," establishing that the will of the people is the law of the land; and

WHEREAS; the Constitution and its 27 amendments codify an essential foundation of liberty and justice in the United States, outlining the freedoms and inalienable rights of all Americans, regardless of race, gender, religion, age, ability status, income level, or identity; and
