

# STATE of WISCONSIN

## OFFICE of the GOVERNOR

# Proclamation

*WHEREAS*; medical coding is defined by AAPC as “the transformation of healthcare diagnoses, procedures, medical services, and equipment into universal alphanumeric codes”; and

*WHEREAS*; medical coders process high volumes of intricate medical cases every hour, translating diagnostic data and advanced technical medical language into data that can be used by healthcare providers to inform patient care; and

*WHEREAS*; professional medical coders work tirelessly to improve patient safety, ensure quality patient care, and maintain ethical coding of medical claims; and

*WHEREAS*; the work of medical coders tells the story of each patient with speed and efficiency, helping to support the healthcare delivery system as a whole; and

*WHEREAS*; in addition to adhering to a strict ethical standard and employing a keen attention to detail, medical coders are required to continuously educate themselves on ever-changing coding updates, federal regulations, and newly mandated initiatives; and

*WHEREAS*; medical coders continue to be leaders in tracking vital data related to the coronavirus pandemic, adjusting to new clinical codes and new procedure codes for telehealth visits; and

*WHEREAS*; today, the state of Wisconsin commends all medical coders for the important work they do every day to support healthcare providers, institutions, and patients across our state;

*NOW, THEREFORE*, I, Tony Evers, Governor of the State of Wisconsin,  
do hereby proclaim October 3, 2022, as

## MEDICAL CODERS DAY
