Governor

Tony Evers

On the 29th day of March 2019, I, Tony Evers, Governor of the State of Wisconsin, do hereby proclaim April of 2019 to be Wisconsin’s Statewide Missing Persons Awareness Month. It is autory of the people of the State of Wisconsin to be informed of the status of Wisconsin’s missing persons and to report any information which may assist in their location.

I have learned from the State of Wisconsin’s Department of Justice that there are approximately 27,000 American children, who have disappeared and were never located. According to the National Child Search Alert Center, there are 60,000 individuals who have disappeared and were never located, and this number is expected to increase every year. Additionally, there are 274 missing persons from Wisconsin according to the National Missing Persons Network.

I commend the work of the Wisconsin Department of Justice, the Wisconsin State Patrol, and other law enforcement agencies in the search for missing persons. I encourage all citizens to report any information they may have to help locate missing persons.
